

COMPLETED PROJECT

24m x 10m Dream Shed

Worongary QLD

We designed this dream customised shed for a customer with a large car collection. Together with the design and engineering team at Stratco we came up with a practical solution that fit well and minimised the planning constraints for the site.

SCOPE	Shed design, Planning and construction
SIZE	24m x 10m
MATERIALS	Colorbond Steel in Monument
DURATION	8 weeks

Council approved

Engineered

Fully managed

Custom design

Earthworks
